San Diego, CA (March 3, 2024) - The San Diego Symphony is happy to share the announcement of its 2024 Conrad Prebys Summer Season at The Rady Shell at Jacobs Park. Developed, operated and programmed by the San Diego Symphony, The Rady Shell at Jacobs Park will celebrate its fourth summer on the San Diego Bay with special performances that can only be experienced in San Diego this summer, and an all-star lineup. Concerts on this year's season will include performances with the San Diego Symphony and Music Director Rafael Payare, artists like John Legend and Jason Mraz, jazz virtuosos like San Diego's own Gilbert Castellanos, some of the world's greatest Broadway talent including Audra McDonald, rock tributes and more. The season begins officially on June 28th, 2024 and runs through the beginning of October.

"As we begin our fourth summer season at The Rady Shell at Jacobs Park, I reflect back on the promises we made at its opening," said San Diego Symphony CEO Martha Gilmer. "Chief among these is that The Rady Shell would become a place where all of San Diego, including our visitors, would feel that they belonged. It is so gratifying to meet people who reflect on their experiences at The Rady Shell and at Jacobs Park – whether it is a film with orchestra, the San Diego Symphony performing Beethoven, a Saturday morning yoga class, or a collaboration with La Jolla Playhouse and their WOW festival. We celebrate the many ways we can activate and program our beautiful venue, bringing people together for memory making experiences. In 2024 we hope that even more people will experience the Rady Shell at Jacobs Park – for the first time or the 50th time. We welcome you all and please know that The Rady Shell at Jacobs Park belongs to each of you!"

Kicking off its fourth season at The Rady Shell at Jacobs Park, the San Diego Symphony Orchestra will return for its annual opening night concert on June 28th, 2024. Guest Conductor **Gemma New** makes
